

MORE POSSIBLE SCENARIOS...

- 1) Wendy is 10 years old, has autism, IEP indicates placement in a self-contained classroom. Student is doing well in autism program. Parents are asking for in home services to address severe behaviors related to autism. FAPT member wants this service written into IEP since CSA funding is very limited. Solutions?

- 2) Erin has an emotional disability (ED), in private day placement, 18 years old, needs in home services and/or mentor services. FAPT coordinator indicates that CSA funds can't be used because Erin is 18. Possible solutions?

- 3) Kenny is from Fayette County and is placed by Fayette County DSS in a foster home in Bedrock County. Fayette DSS also enrolls Kenny in a day treatment program in Bedrock County. Kenny's IEP from Fayette County indicates co-teaching/collaborative classes. Who needs to do what?
