RE: Spotsylvania County Children's Services Act (CSA) Program Audit Self-Assessment
Validation, File No. 32-2018

Dear Ms. Richardson,

In accordance with the Office of Children's Service's (OCS) Audit Plan for Fiscal Year 2018, the Spotsylvania County Community Policy and Management Team (CPMT) has completed and submitted the results of the self-assessment audit of your local CSA Program. An on-site visit was scheduled and conducted by OCS Program Auditors on June 21, 2018 to perform the independent validation phase of the process.

Based on the review and examination of the self-assessment workbook and supporting documentation provided by the Spotsylvania County CSA program, our independent validation:

Concur

Partially Concur

Does Not Concur

with the conclusion reported by the Spotsylvania County CPMT that no significant observations of non-compliance and/or internal control weaknesses were identified in the design or operation of the processes or services conducted on behalf of Spotsylvania County CSA. Spotsylvania County CPMT has submitted a complete and satisfactory quality improvement plan addressing all non-significant observations that were identified by the CPMT, which included tasks, responsible parties, and target completion dates. OCS Program Auditors conducted a follow-up of the quality improvement plan and determined that tasks identified have been implemented and/or are currently in progress. We respectfully request that you periodically update our office once quality improvement tasks have been fully completed.

Ms. Tedra Richardson, CPMT Chair
