HIGH-FIDELITY WRAPAROUND

A **team-based, collaborative process** for developing and implementing **individualized care plans** for children with behavioral health challenges, and their families.

Continuum of Service

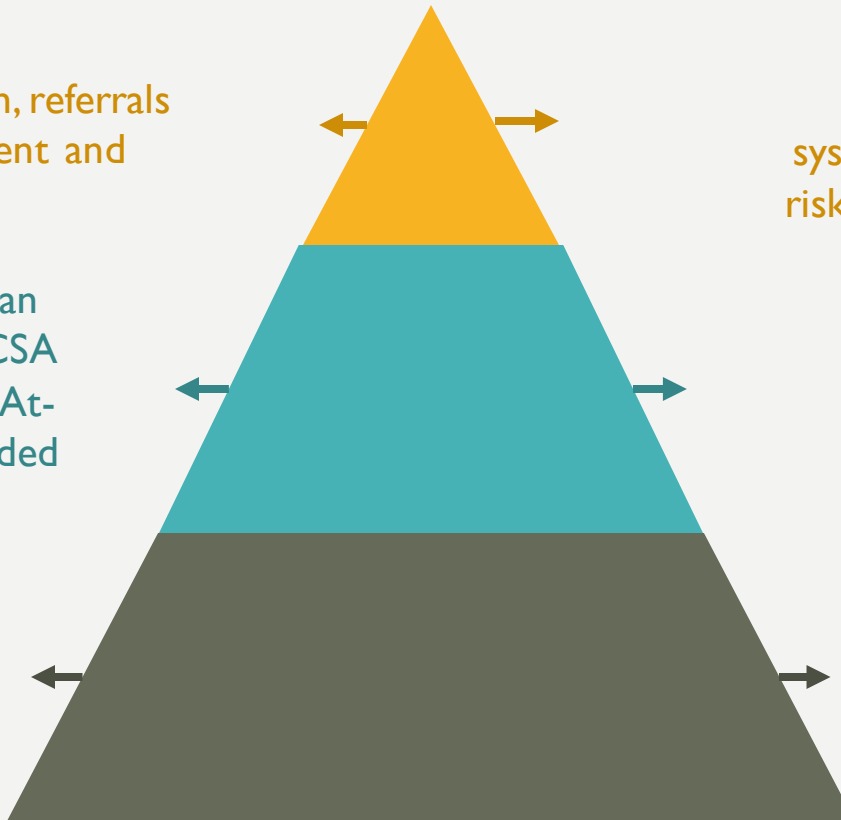

System Level

Child/Youth/Family

Intensive Care Coordination, referrals through the Family Assessment and Planning Team (FAPT)

Referrals through FAPT for an array of community-based CSA (Children's Services Act for At-Risk Youth and Families) funded services

Services covered under routine agency activities or traditional funding streams

Most complex, often multi-system youth. Out-of-home, or risk of out-of-home placements

Moderately complex youth, requiring an array of community-based services

Least complex youth. Do not require extensive case management or services
